Refuse “Green Choice” Contract Language:

[Organization name] will not participate in the hotel’s “Green Choice” or any similar program, and notation should be made on all guest reservations not to offer this option. All advertising materials regarding the program will be removed from the guest rooms, and the program will not be offered via the online reservation system. If an individual attendee requests the “Green Choice” program or any similar program, front desk staff will tell the attendee that their organization has opted out and the “Green Choice or “Your Choice” programs are not available as an option for them.
